

To all,

Niagara County Sportsmen's is again searching for youth interested in spending time this summer at a DEC camp for their annual summer camp events.

NCSA will provide camper fees for each individual interested in attending up to 10 campers. We have struggled in the past to get candidates for this program but we remain hopeful and committed to all campers wishing to participate.

Registration opens in March so please contact us as soon as possible.

Please direct any questions or comments to Mike Bartlett at

## **Camp Rushford**

**Camper Ages 11-13 Weeks 1-3 & 6-7**

**Camper Ages 14-17 Week 4 & 5**

Rushford is part of the 4,500 acre Hanging Bog Wildlife Management Area two miles southwest of Rushford Lake in western New York. The Hanging Bog Wildlife Management Area provides a unique and diverse environment for outdoor learning. Campers can explore natural hardwood forests, conifer plantations, fields, streams and marshes and the bog for which the area is named. Camp Rushford is the only DEC Camp specifically designed and built as a conservation education camp. The two main buildings are constructed of logs salvaged from the Adirondacks after the blow down of 1950.

Camp Rushford  
8717 Rush Creek Road  
Caneadea, NY 14717

### **Travel time from major cities**

Buffalo: 1 hour 15 minutes

Rochester: 2 hours

Syracuse: 3 hours

Albany: 5 hours

New York City: 6 hours
